What?

- Ontario Rules** - A detailed document which includes information concerning general rules, before-hearing procedure, screening, streaming and classifying proceedings, disclosure, public access to documents, options for pre-hearing conferences, settlements, alternate dispute resolution, notices of hearing and failure to participate, written hearings, electronic hearings, public access to hearings, adjournments, procedures for hearings, evidence, decisions/orders, costs, correcting and reviewing decisions/orders.
- Manual for Ontario Adjudicators** - This manual is for members of Ontario tribunals. It outlines the responsibilities of tribunal members in their capacity as adjudicators - that is when holding hearings and deciding cases. It provides suggestions about how to carry out these responsibilities fairly, effectively, and efficiently.

- Writing Reasons: A Handbook for Judges**, Third Edition 2007, Edward Berry - Writing Reasons was conceived as a follow-up to workshops on judgment writing. Although this publication focuses on the writing of judges, lawyers and members of the administrative justice community may also find it relevant. The handbook provides both a review of the basic ideas of judgment writing and a series of exercises designed to
