

Joint programs of the Society of Ontario Adjudicators and Regulators (SOAR) and Osgoode Professional Development

# Upcoming Programs in Adjudication

Invest a day (or more) with leading adjudication experts, and get the current knowledge and practical strategies you need to succeed.

## The Certificate in Adjudication

Get a solid foundation in the legal underpinnings of administrative adjudication, develop and refine your adjudication skills, and learn practical strategies for successfully running a hearing.

### Blended Format

**Option 1: Starts January 23, 2023**

**Option 2: Starts September 18, 2023**

Learn through a blended online format which combines asynchronous, at-your-own-pace modules, and live, interactive sessions

### Live Format

**In-Person: May 15 – 19, 2023**

**Online: December 4 – 8, 2023**

This format allows for face-to-face training and engagement in all content, in real time with a cohort.

## Effective Decision Writing for Administrative Adjudicators

March 6, 2023 (Live, Online)

Learn the fundamental skills involved in writing clear, concise and well-reasoned decisions. Expert facilitators from the administrative justice community will lead small group discussions and provide individualized feedback.

## Advanced Decision Writing for Administrative Adjudicators

April 27 – 28, 2023 (Live, Online)

This hands-on program takes a deep dive into key areas of written decisions and will strengthen your decision-writing skills through individualized feedback on your own writing style and voice.
