

# Society of Ontario Adjudicators and Regulators

## Membership Application

SOAR is an organization for chairs, members and executive staff of administrative justice system agencies. Its goal is to enhance and improve the administrative justice system. SOAR has various activities, including training programs for newly appointed adjudicators and administrative staff, a major conference each year in November dealing with the latest developments in administrative justice and participation in policy initiatives of relevance to the direction and integrity of the administrative justice system.

***We look forward to your membership in SOAR!***
